OUR MISSION:

Strengthening the cooperation, integration and development of New Alpe Adria territories with

- joint promotional business initiatives
- mutual territorial knowledge
- common EU projects
- cooperation in strategic sectors (R&D, infrastructure, transport...)
- business education programmes and technological innovation

ORGANISATION:

The Presidents' Conference is the strategic body of the Network, that sets the goals and defines the guidelines for common activities. The Technical Working Group builds the executive body of the Network and is responsible for the elaboration of the annual programme of common activities implemented in dedicated work packages, taking into consideration the shared economic priorities of the entire Network area.
